Subject: Letter of Recommendation for Adabala shyam sai raj

MyCaptain, an initiative by an NSRCEL, IIM Bangalore incubated company, is an online Learning platform awarded by the SDSN as one of the Top 50 youth led solutions working on Quality Education & Decent work and economic growth.

It is with great pleasure that I recommend Adabala shyam sai raj , on the basis of the performance in the MyCaptain Python Programming Workshop in the month of October, 2021. Adabala shyam sai raj performed extremely well during the workshop and showed excellent skills as seen in the Project submissions and participation in the regular activities. As the mentor, I have seen that in every Live video class session, Adabala shyam sai raj was very participative and always willing to learn and enhance skills in every aspect. Adabala shyam sai raj is always willing to put forth a unique approach for the Projects that are assigned, while also adhering to the guidelines and rules.

With this, I would take this opportunity to wish Adabala shyam sai raj , all luck for future endeavors and hope for a bright future ahead.

Kind Regards,
